Sonderanfertigungen

Alle im Katalog abgebildeten Artikel - ausgenommen die colourPLUS ++++ Artikel - sind als Lagerware erhältlich und können nachträglich in Deutschland mit Werbeanbringung versehen werden. Das reduziert die Lieferzeit und ist ideal für schnelle Projekte oder kleinere Mengen.

Sonderproduktionen, wie beispielsweise nach Pantone in Hausfarben eingefärbte Bespannungen, spezielle Griffe, Vollflächen- oder segmentübergreifende Drucke können ebenso realisiert werden. Wir beraten Sie gern über Mindestmengen, Designumsetzung und Lieferzeiten.

Custom made orders

*All items shown in the catalogue - except the **colourPLUS ++++** models - are available from stock and can be branded in Germany. This reduces time of delivery and allows for quick projects as well as small quantities.*

Custom made orders such as pantone matched special dyed fabrics, fullprinted panels, custom designed components can be realised. Please contact us for minimum quantities, positioning of designs and lead times.

Lagerware

Wir arbeiten seit nunmehr 40 Jahren mit unseren Stammlieferanten / Herstellern in Fernost und legen höchsten Wert auf Qualität, Service, Flexibilität, Timing und Fairness.

Wir arbeiten ständig an Produktverbesserungen und neuen Details bei unseren Standard-Sortiment. Design-, Farbabweichungen und technische Änderungen behalten wir uns vor. Bei Folgeaufträgen empfehlen wir die Anforderung eines aktuellen Musters.

Stock models

We have been working with our regular suppliers / manufacturers for 40 years and lay the biggest value on quality, service, flexibility, timing and fairness.

We are continuously working on product improvements and modifications on our standard range. Deviations in design, colours and technical changes are reserved. For repeat orders we suggest to order a current sample.
